MEMORANDUM FOR: SIO, Army Detachment, NPIC
ATTENTION: Lt. Col. Robert G. O'Connor
SUBJECT: Operation of Technical Support Equipment
REFERENCE: Memo to Exec Dir/NPIC from Chief, Sp AD,
dated 16 July 1962

1. Your recommendation to have two Army Photo Interpreters trained in the operation of technical support equipment to assist in the reduction of backlogged joint projects and, as possible, the timely completion of departmental projects has considerable merit.

2. Permission is granted for two Army personnel to be trained by TID in the operation of mensuration equipment. Details relative to instruction and availability of equipment may be worked out with the Chief, TID, who shall be responsible for the direction of this effort.
